To Whom It May Concern,

It is my pleasure to recommend Mrs. Leanne Meeks for a position within your organization.

Mrs. Meeks over the current school year has worked at Naples Classical Academy School. As the Principal, I have had the privilege of working with Mrs. Meeks and have watched her excel at many positions throughout the school, from operating our front desk, assisting teachers to being a substitute teacher.

Mrs. Meeks is very open to new ideas and gives many ideas to help our school using the guidelines of the State of Florida and within our classical education program. She is a extremely quick learner and she has additionally picked up skills in which she was able to add to her toolbox to help students and staff inside and outside the classroom.

As stated, Mrs. Meeks has numerous talents and understands the need for discipline and consistency on a daily basis over the course of the past year. She has may sought after attributes, one of the most being dedication to the job. This is especially looked highly upon given the everyday challenges that education can and does throw at you which requires patience and a level-headed thinker.

I have known Mrs. Meeks to be a team player and her work ethic is exceptional. I am confident that she will continue be a dedicated and knowledgeable employee and has been a great benefit to our organization here at Naples Classical Academy School.
